

BUSINESS - ACCOUNTING (BUAP)

Ontario College Diploma | 4 semesters | Barrydowne

Take our general accounting stream to gain the skills and hands-on experience to land entry-level accounting positions within non-profits, corporations, and other for-profit organizations.

Following a first year of common curriculum shared by all accounting and business students, you will be immersed in accounting principles and practices and have the opportunity to gain real-world experience through a work placement.

This program will be delivered through both traditional classroom and online learning.

This program has been designed to accommodate students who want to continue their studies towards a degree or get entry into the professional accounting programs such as the Advanced Certificate in Accounting and Finance (ACAF) or the Certified Aboriginal Financial Manager (CAFM) designation. As a graduate, you may opt to take one additional year in the Business Administration - Accounting program to enhance your skills and obtain advanced standings into the ACAF and/or degree programs. In order to enter into the ACAF certificate or the CAFM designation programs, you must achieve a 60% average or more in certain courses and an overall average of 65% in Cambrian's Business – Accounting program.

Program Highlights

- 2 years – 4 semesters
- Combination of in-class and online learning
- Successful graduates can enter into the 3rd year of Cambrian's Business Administration – Accounting program
- Opportunity to receive credits towards the Certified Aboriginal Financial Management (CAFM) designation or the Advanced Certificate in Accounting and Finance (ACAF)
- This is a Northern Colleges Collaborative Delivery program (see cambriancollege.ca/ncc (<http://cambriancollege.ca/ncc>))
