

CORPORATE SAFETY AND SECURITY (CSSP)

Ontario College Certificate | 2 semesters | Barrydowne

Prepare for safety and security roles in a variety of industries such as mining, education, casino, energy, retail, medical, residential, and entertainment. As a graduate, you'll have the ability to immediately begin working in the field.

You will learn to communicate effectively with all types of people in both peaceful and conflict situations, as well as how to conduct effective patrols, manage movement of people and vehicles, utilize electronic security equipment, and manage access control. You will also learn to become an experienced note taker and to conduct investigations, collect evidence when appropriate, make arrests when necessary, write informative reports regarding your actions, and provide evidence as expected.

You will be exposed to supervisory expectations, budgeting, health and safety, unions, and media interaction. Managing risk and responding in emergencies will round out your educational experience.

Additional Information

During your studies, you may obtain the following additional certifications:

- Emergency First Aid and CPR level A certificates
- Non-violent Crisis Intervention Certificate
- Suicide Intervention Certificate
- Mental Health First Aid
- Basic Emergency Management
