

PHYSICAL FITNESS MANAGEMENT (FLBU)

Ontario College Advanced Diploma | 6 semesters | Barrydowne

People are living longer than ever before and are increasingly concerned about maintaining their health and physical fitness. This program will provide you a blend of fitness education and business principles in order to effectively serve, motivate, and counsel diverse clients. Whether you want to work for a fitness or recreation facility or start your own business, you'll have the skills and knowledge to change and inspire the lives of others through a strong understanding of physical literacy, physical exercise techniques, proper nutrition, and the mental obstacles individuals may need to overcome to achieve their goals.

Our indoor facilities include a fully-equipped weight room, cardio room, multi-purpose room, squash courts, double gymnasium, and stretching area. You will also have exclusive access to a state-of-the-art multi-purpose/functional fitness and assessment laboratory to enhance your exercise science knowledge on new and traditional equipment. Outdoor facilities include running track, soccer/football field, baseball diamond, and beach volleyball courts.

Program Highlights

- 3 years – 6 semesters
- 15-week co-op term after semester four or five
- 90 hours of volunteer placements throughout the length of the program gives you opportunities to work with healthy, as well as special populations, in diverse settings
- CSEP-CPT certification content embedded into the curriculum so you can apply for the Gold Standard in exercise science and personal training certifications before graduation
- OFC certifications are built into curriculum so you can earn internationally recognized certifications through your coursework

Co-op Work Term/Fieldwork

Students are required to complete a 15-week co-operative work term prior to graduation. The work term provides them with the opportunity to apply classroom studies to an actual work situation, gain extensive practical, on-the-job training, and potentially earn a salary while doing so. Tuition fees are levied for the co-op work term. Although assistance is provided by faculty, it is the students' responsibility to secure a co-op work term. Students have the option of completing the co-op work term at the end of semester 4 or 5 as long as they meet academic requirements.

Students must also complete approximately 90 hours of volunteer fieldwork as a requirement of courses in first, second, and third year. Placement opportunities may include working with community sports organizations, individuals within specific population groups, personal training clients, and with Active Sudbury's ongoing physical literacy project.

4D Learning Opportunities

Active Sudbury, 2017-2020 – You may help develop and implement sustainable physical literacy programming in various elementary schools in the City of Greater Sudbury.

Peru trip, 2015 – Students led nutrition and fitness projects for young children in Peru.

Cambodia trip, 2013 – Students traveled to Cambodia to build bikes for underprivileged children.

Personal training on campus – You can put your skills and knowledge to the test as a personal trainer for Cambrian staff, or faculty.

How to Apply (<http://cambriancollege.ca/apply>)

Health Sciences, Nursing, and Emergency Services (<http://cambriancollege.ca/field-of-study/health-sciences-nursing-emergency-services>)

Admission Requirements

For graduates of the new curriculum (OSS): Ontario Secondary School Diploma (30 credits) or equivalent or mature student status, including:

- Any grade 12 English (C), (U), or (M)
- Any grade 11 (C), (U), or (M) or 12 mathematics (C) or (U)
- Any grade 11 or 12 science (C), or (U)

Recommended:

- any grade 11 or 12 health and physical education (e.g., PLF4C, PPL40) or exercise science (e.g., PSE4U)

Additional Requirements

This program includes a physical fitness component and requires that students perform cardio-respiratory endurance, muscular strength and endurance, and flexibility exercises. Additional activities include group exercise, team sports, and other various forms of physical activity. Students must, therefore, complete a Physical Activity Readiness Questionnaire for Everyone (PAR-Q+) and/or a Physical Activity Readiness Medical Examination (PARMED-X) and an Informed Consent form. Prospective students with health-related concerns that may affect their participation in the program are encouraged to complete the aforementioned forms before beginning the program and discuss their career goals with the program coordinator.

Additional Information

Field placement agencies and co-op employers may require that First Aid/CPR and a criminal record check be obtained prior to placements or co-op work terms. A criminal record check (CPIC) can be completed by local police departments, and First Aid/CPR certification can be obtained through either St. John's Ambulance or Canadian Red Cross. These requirements can be obtained prior to or during the program. It is highly recommended that students have up-to-date immunizations.

Program Delivery

2019-2020

This program will be delivered in one of the following terms below. Students have the option of completing the co-op work term at the end of semester 4 or 5 as long as they meet academic requirements:

Fall Term Start (Option 1)

1. SEMESTER 1 Fall 2019
2. SEMESTER 2 Winter 2020
3. SEMESTER 3 Fall 2020
4. SEMESTER 4 Winter 2021
5. SEMESTER 5 Fall 2021
6. SEMESTER 6 Winter 2022

Fall Term Start (Option 2)

1. SEMESTER 1 Fall 2019
2. SEMESTER 2 Winter 2020
3. SEMESTER 3 Fall 2020
4. SEMESTER 4 Winter 2021
5. SEMESTER 6 Spring 2021
6. SEMESTER 5 Fall 2021

For specific term start/end dates and other key dates/deadlines, please see the Academic Schedule (<http://cambriancollege.ca/apply/how-to-apply/academic-schedule>) on our website.

Program of Study

Semester 1		Credits
BIO 1009	Applied Anatomy & Kinesiology I	4
ENG 1002	College Communications	3
FLM 1004	Fitness I	1
FLM 1101	Mental Training For Exercise	3
FLM 1150	Group Exercise and Wellness	4
FLM 1225	Leisure Leadership	4
The following General Education course:		3
SOC 1007	Introduction to Indigenous Studies	
Credits		22
Semester 2		Credits
BIO 1007	Applied Anatomy & Kinesiology II	4
ENG 1200	Effective Presentation Skills	3
FLM 1005	Fitness II	1
FLM 1250	Circuit/Resistance Training I	4
FLM 1275	Stress Management	4
FLM 2400	Nutrition	4
Credits		20
Semester 3		Credits
ACC 1220	Business Records	3
