

GENERAL ARTS & SCIENCE - COLLEGE EXPLORATION (GAEP)

1-4 semesters | Barrydowne

No other program at Cambrian is as flexible and customizable as General Arts and Science – College Exploration!

With no core curriculum, you have the ability to completely tailor your studies and work towards a College certificate or diploma or to bridge into a full-time Cambrian program.

You'll benefit from exposure to a variety of professors and subject matter as you explore potential career paths. Choose courses that interest you before applying to a specific program.

You'll work with our educational planners each semester to select courses depending on availability of seats, timetabling constraints, and prerequisite restrictions.

Four semesters may even give you the number of credits required for a General Arts and Science diploma.

Program Highlights

- 1-2 years – 1-4 semesters
- Earn a certificate or diploma or bridge into another Cambrian program
- Create a customized timetable to explore various programs and career paths
- Receive support from Cambrian staff to develop an individualized educational plan to meet your needs and interests
- You may even be able to earn credits towards a program of interest.
