

INDEPENDENT MUSIC PRODUCTION (MPCP)

Ontario College Certificate | 2 semesters | Barrydowne

This program is the perfect stepping stone if you are interested in further studies in audio recording and music production or if you wish to pursue independent music recording and composition as a career.

Explore your creative potential as you learn the foundations of music recording, editing, and performance, and develop the communications skills necessary to begin navigating the music industry. Your studies will adopt a hands-on approach to small-scale, computer-based recording and editing, provide an overview of the roots of popular music and current trends in the music recording industry, and introduce you to the business skills needed to successfully promote yourself and your work.

You will have the opportunity to work in industry-standard labs with experienced professionals, and learn from Cambrian's world-class music faculty in a one-one-one lesson environment to ensure your musical capabilities progress in step with your technical knowledge.

Program Highlights

- 1 year – 2 semesters
- Explore your creative potential while developing the skills that will take your music career to the next level
- Work closely with world-class faculty to enhance your musical abilities
