

MAGNETIC RESONANCE IMAGING (MRI) (MRIP)

Ontario College Graduate Certificate | 2 semesters | Barrydowne

If you have the natural ability to put people at ease and can maintain a high level of accuracy, organization, and patience during stressful situations in a fast-paced environment, a career as a Magnetic Resonance Imaging Technologist could be for you. In just eight months, Cambrian's program will provide you with the technical skills needed to excel in this field while exposing you to the day-to-day demands of this profession through a clinical placement in a hospital.

Cambrian's accredited program prepares you for the Canadian Association of Medical Radiation Technologists' entry-to-practice certification exam in Magnetic Resonance Imaging.

Program Highlights

- 1 year – 2 semesters
- Placement in semester two in an accredited hospital in Ontario
- One of only two colleges in Ontario that offer this program - and the only full-time program of its kind
- Grads are eligible to write the national certification exam set by the Canadian Association of Medical Radiation Technologists (CAMRT) <http://www.camrt.ca>

Fieldwork/Placement

A clinical placement is a requirement for completion of this certificate. The clinical semester will be delivered at an approved clinical partner of Cambrian College. You must be financially prepared to relocate and support yourself during the clinical placement. Information on placement sites will be available at the time of acceptance.

Accreditation

The MRI program's six-year accreditation status is honoured by Accreditation Canada (<https://accreditation.ca/health-education-accreditation>).

Limited Enrolment

Please note that possession of the requirements does not guarantee admission. If the number of qualified applicants exceeds the number of places available in the program, the College reserves the right to select from among those applicants. All students applying by February 1 will be given equal consideration. Preference will be given to Ontario residents. Please see the Limited Enrolment F.A.Q.'s on our website under "How to Apply (<http://cambriancollege.ca/apply>)" for further details.

Quick Links

How to Apply (<http://cambriancollege.ca/apply>)

Health Sciences, Nursing, and Emergency Services (<http://cambriancollege.ca/field-of-study/health-sciences-nursing-emergency-services>)

Admission Requirements

- Graduation from a Canadian Medical Association accredited and relevant diploma or degree program. Preference will be given to graduates of Medical Radiation Imaging Sciences – Radiologic

Technology, Nuclear Medicine, Radiation Therapy, and Diagnostic Ultrasonography programs. Bachelor of Science in Nursing, Kinesiology with two physics courses, Biomedical Biology with two physics courses and Biomedical Physics degree programs may also be considered.

- Completion of the MRI Application Screening Form

Additional Requirements

- Current Basic Cardiac Life Support Certificate Level (HCP) Health Care Provider (must be current for entire program)
- Current Standard First Aid Certificate (must be current for entire program)
- Mask testing (for N-95 mask)
- Criminal record check
- WHMIS certification Proof of immunization status at registration for the following:
 - Two-step TB test
 - Immunizations: Measles, mumps, rubella, varicella, polio
 - Current tetanus - diphtheria vaccination
 - Current influenza immunization (when available for season)
 - Hepatitis B vaccination
 - If born after 1970, must have 2 measles vaccinations
 - Hepatitis A vaccination is recommended but not required

All health science students are required to submit the additional requirement information by appointment with Paramed. Paramed Requisite forms and instructions are posted to your mycambrian account under Student Tab

Additional Information

Upon successful completion of the program, the graduate must write the CAMRT (Canadian Association of Medical Radiation Technologists) MRI certification examination to become registered. In Ontario, the College of Medical Radiation Technologists of Ontario recognizes and accepts the CAMRT certification exam for registration purposes. Graduates must register with the College of Medical Radiation Technologists of Ontario to be eligible for employment in Ontario. The cost for the examination/registration process is the responsibility of the graduate and will be required in the second semester of the program.

Program Delivery

2019-2020

This program will be delivered in the following terms:

Fall Term Start

1. SEMESTER 1 Fall 2019
2. SEMESTER 2 Winter 2020

For specific term start/end dates and other key dates/deadlines, please see the Academic Schedule (<http://cambriancollege.ca/apply/how-to-apply/academic-schedule>) on our website.

Program of Study

Semester 1		Credits
MRI 1000	Abd/Thorax/Pelvis/MSK	3
MRI 1002	MRI Techniques & Clinical Applications	4

MRI 1012	Head/Neck/Spinal Column/MSK	3
MRI 1004	Physical Properties/Principles MRI	4
MRI 1005	MRI Procedures	4
MRI 1009	MRI Patient Care and Safety	4
MRI 1011	MRI Pathology	4
MRI 1010	MRI Clinical Preparedness	2
	Credits	28
Semester 2		
MRI 1007	Comprehensive Review	3
MRI 1013	MRI Clinical Practicum	9
	Credits	12
	Total Credits	40

Fees

Tuition and Ancillary Fees

Please see our fees page (<http://cambriancollege.ca/fees>) for the breakdown of tuition and mandatory ancillary fees by program and semester for both domestic and international students

Books & Supplies

The cost of books and supplies for Year 1 is approximately \$1,000. This is the best information available at the time of publishing to the website and is subject to change.

Graduate Options

Employment Opportunities

Graduates may find employment in:

- Hospitals
- Medical clinics
- Private industry
- Education
- Sales

College/University Degree Opportunities

Graduates from this program may continue their studies at college/university and may receive credit for their prior College education.

Refer to College/University Agreements (<http://www.cambriancollege.ca/agreements>) for further information.
