

GRAPHIC DESIGN (PAGD)

Ontario College Advanced Diploma | 6 semesters | Barrydowne

Cambrian's award-winning Graphic Design faculty will challenge you through course work and diverse, real-world projects to help you develop your creative talents and become a professional visual communication designer.

Using current industry software in the College's state-of-the-art graphic design labs, you will learn how to creatively develop ideas and manipulate space, type, images, and colour to take your work from concept sketch to strategically-designed printed, web-based, or electronic form. Projects provide you with practical experience in brand and environmental design, website design, advertising design, illustration, photography and much more.

You'll also graduate with a professional-grade portfolio that will be invaluable as you meet with potential employers and/or freelance clients.

Check out the 2016 graduate exhibition, "UNDO (<http://ccgraphicdesign.ca/undo>)" to see what you'll get up to as a student in Cambrian's Graphic Design program.

Program Highlights

- 3 years – 6 semesters
- 5-week placement in third semester
- Strong focus on website & UI/UX development so you can create websites using HTML 5, CSS3, and Javascript
- Ongoing opportunities to showcase work in Cambrian's Open Studio art gallery, a 1,200-square-foot design and art gallery space located in downtown Sudbury
- Annual fieldtrip to attend the DesignThinkers Conference in Toronto to see world-class industry professionals present on topics related to the design field
- Students are automatically registered as members of the Registered Graphic Designers of Ontario (RGD Ontario) and can participate in professional seminars, studio tours, and events organized by the association's Sudbury chapter
- Access to a variety of classrooms and labs along with the latest technology and software, including:
 - Multiple iMac studios featuring the latest generation of 27" iMac computers, running Mac OSX and Adobe Creative Cloud
 - Professional photo studio with boom lighting
 - Complete printmaking shop with etching, lithography, and silk screening presses
 - Full art and painting studio with natural skylights

4D Learning Opportunities

- Open Studio – You'll showcase your design work in Cambrian's Open Studio gallery (<https://www.facebook.com/ccopenstudio>) in downtown Sudbury – a place where you'll also connect with the local creative community.

- DesignThinkers Conference – Join your classmates on a trip to Toronto to attend the RGD Ontario Designer Thinkers conference (please note: students are responsible for covering costs of accommodation).
- Sustainability Initiatives – You'll have the opportunity to participate in various environmental activities that support the program's dedication to sustainable design education, such as the annual tree planting excursion that to date added over 12,000 trees to Sudbury to help offset the carbon footprint of the graphic design program.
