

POLICE FOUNDATIONS (PFIG)

Ontario College Diploma | 4 semesters | Barrydowne

Cambrian's blend of in-class assignments, scenario training, fitness components, and community work complement topics covered by the Ontario Police College and assist in preparing you for potential employment with a police service.

Extensive involvement in community initiatives, training with the Ontario Provincial Police, and participation in crime prevention projects with the Greater Sudbury Police Service offer you opportunities to network and volunteer within the community alongside working professionals. Further interaction with currently serving officers is provided as all local police agencies are represented within the program's part-time faculty.

Also, your theoretical knowledge will continually be put into practice in the program's scenario room where you are required to perform practical demonstrations, and various physical fitness courses and testing procedures that simulate industry testing are offered in each semester, providing opportunities to practice meeting requirements of applicant testing.

Program Highlights

- 2 years – 4 semesters
- Guest speakers from municipal, provincial, and national law enforcement agencies
- Physical fitness integrated throughout the program to prepare you for the police academy fitness test
- Hands-on training in Cambrian's scenario room that includes three replica jail cells
- Community policing opportunities where you'll work alongside the Greater Sudbury Police Service in the community
- Fast-track options to complete other Cambrian Justice programs when you graduate

4D Learning Opportunities

Cambrian College Community Justice Association (CCCJA) – Join this volunteer, student-run organization and get hands-on experience working for various community and organizations while making valuable industry connections.

Teddy Bear Picnic Fundraiser – Each year Police Foundations students run the Teddy Bear Picnic, where donated teddy bears are auctioned off to raise funds for pediatric research.
