

PRE-SERVICE FIREFIGHTER EDUCATION AND TRAINING (PSFP)

Ontario College Certificate | 3 semesters | Barrydowne

Prepare for entry into a fire service career. Cambrian's partnerships with fire departments and the community offer you intensive practical experience and testing in both simulated and controlled live fire training scenarios.

The curriculum is based on the requirements for the NFPA 1001 and NFPA 472 standards as identified by the National Fire Protection Association. Graduates of the Pre-Service Firefighter Education and Training program are eligible to write the OFM Provincial Firefighter test, and upon successful completion of this test can apply for standing under NFPA 1001 as Firefighter Level I and II from the Proboard.

Program Highlights

- 1 year – 3 semesters
- On-campus training in the firefighter lab and off-campus practical evolutions at firefighter training centres around Sudbury
- Full access to the College's Athletics Centre and weight room
- Simulated and controlled live fire training with the City of Greater Sudbury Fire Services and other partnering Fire Services
