

ACADEMIC AND CAREER ENTRANCE PROGRAM (ACEP)

Certificate of Achievement | Barrydowne

Cambrian College's ACE (Academic & Career Entrance) Certificate program gives you the skills you need to enter a college program, apprenticeship, or to improve your job prospects. It is recognized by all colleges in Ontario and by many employers who require Grade 12* as a requirement from potential employees or entry to an apprenticeship. This program is the first step on a pathway to success!

Eligibility

This program is geared to students who:

- Have not completed a grade 12 diploma in Ontario
- Are 18 years of age or older (17 with interview)
- Resident of Ontario
- Eligible to work in Ontario

Future Opportunities

- Post-secondary studies
- Skills training or apprenticeship programs
- Entry into the job market

Important Note:

ACEP is not the same as the CAEC (Canadian Adult Education Certificate). The ACE program provides you with an opportunity to brush up or learn the skills you need to be successful in college or the workforce. The CAEC is a test which provides individuals with an opportunity to demonstrate that they already have secondary school level knowledge and skills.

Fees

This program is offered free of charge.

How to Apply

Please note that applications for this program do not go through [ontariocolleges.ca](https://www.ontariocolleges.ca/en/) (<https://www.ontariocolleges.ca/en/>).

To apply for Cambrian's Academic Upgrading Program (<https://cambriancollege.ca/programs/academic-upgrading/>), please apply online by watching our Information Session video and filling out our online form (<https://cambriancollege.ca/apply/how-to-apply/academic-upgrading/academic-upgrading-form/>).

Online Application forms will be followed up via email, please regularly check your email for further registration instructions.

Certificate Requirements

In order to obtain the Certificate of Completion, the following courses must be completed:

Code	Title	Credits
The following mandatory courses:		
ACE 0303	ACE Core Math-General	120
ACE 0400	ACE Communications	105
Two of the following elective courses:		

ACE 0304	ACE Core Math - Advanced	180
ACE 0401	ACE Computers	75
ACE 0402	ACE Self Management/Self Direction	60
ACE 0404	ACE Technology Math	165
ACE 0407	ACE Business Math	75
ACE 0409	ACE Chemistry	120
ACE 1031	ACE Biology	120
ACE 1026	ACE Physics	120

Please note that you may be required to complete Pre-ACE courses in English or Math in order to complete the ACE level courses. Students will complete an intake assessment to determine correct course placement.

Course Delivery

All courses are available all year long through our Continuous Intake model. All courses are available via our online Learning Management System (Moodle), in class or a combination of both.
