

# ART AND DESIGN FUNDAMENTALS (AFPG)

## Explore a future of creative possibilities

Take your talent and love for the arts to new heights as you gain confidence in your artistic journey building a solid foundation in creative art and design. You will experiment with a rich and diverse cross-section of media and concepts, including drawing, 2D and 3D design, illustration, applied multimedia, and creative and conceptual problem solving.

Surrounded by like-minded creatives, you will learn to apply critical thinking skills to produce solutions to the varied challenges creative industries present, as well as developing your visual sensitivity and artistic dexterity.

## Program highlights

- Experiment with a wide range of artistic media and concepts
- Engage with students from all creative art and design programs
- Opportunity to create and install a mural that will beautify a public space
- Graduate with a vibrant and diverse portfolio
- Option to continue into the second year of the Design and Visual Arts program to further build your portfolio and specialized skills
