

BUILDING BUSINESS (BBUS)

This microcredential is currently under review. Please visit this page again soon for the latest updates and availability information. Thank you for your interest.

The program is ideal for managers of small business organizations, people aiming at being entrepreneurs or managers with entrepreneurial expectations/responsibilities within the organizations. The program focuses on three inter-related aspects of a building a business, viz; the process of converting a business idea to actual business, understanding the legalities involved in this process, and developing appropriate negotiation and leadership skill necessary to be a successful entrepreneur.
