

# BUSINESS-FINANCE (BFND)

## Build a career in the personal financial services sector

Gain foundational business skills in your first year, then build on that groundwork to gain specialized knowledge in financial services industry regulations, credit and debt management, and financial analysis. You'll explore registered retirement and education plans, government benefit plans, economics, investments, taxation, law, and insurance. Additionally, you'll master the interpersonal skills needed to excel.

## Program highlights

- The only program of its kind in northern Ontario
- Prepare for entry and intermediate-level jobs in the financial services sector
- Designed to start your journey towards becoming a financial planner in Ontario
- Gain advanced standing in Cambrian's Bachelor of Business Administration or Honours Bachelor of Business Administration degree programs
