

BUSINESS FUNDAMENTALS (BFPG)

Ontario College Certificate | 2 semesters | Barrydowne

Let's get down to business! Business touches every single aspect of our lives. Everything we do, touch, see, and hear has a business associated with it. Your career in business starts with the Business Fundamentals program at Cambrian College.

Explore traditional business careers by gaining a solid introductory foundation in accounting, finance, management, and marketing, and apply that knowledge in your current career or use it to pursue your passions.

This program is a common year for all business and accounting students, so graduates will be eligible for direct entry into the second year of the following diploma programs at Cambrian: Business (<http://catalog.cambriancollege.ca/gebu/>), Business - Accounting (<http://catalog.cambriancollege.ca/buap/>), Business - Accounting (Online) (<http://catalog.cambriancollege.ca/buao/>), Business Administration (<http://catalog.cambriancollege.ca/buad/>), and Business Administration - Accounting (<http://catalog.cambriancollege.ca/acbu/>).

Though this is a full-time on campus program, have a discussion with your program coordinator if you are looking to take this program part-time, or even a *combination* of online and in-class!
