

PROJECT MANAGEMENT (PMPD)

Manage projects on time and on budget.

Turn your unique ability to plan and execute projects into a sought-after skill set with our project management program. Businesses and industries seek efficiencies and overall effectiveness to compete in global and domestic markets. Play a key role in the triumphs of an enterprise by honing your leadership and communication skills and highlighting your capable, collaborative nature.

Cambrian's curriculum is closely aligned with the Project Management Institute (PMI) and its *PMBOK® Guide*, the foundation for the vast body of knowledge in the project management field. We provide you with the essential theoretical and practical knowledge to plan, implement, manage, and evaluate diverse projects and succeed in the workplace.
