

# PROJECT MANAGEMENT (PMPD)

## Ontario College Graduate Certificate | 2 semesters | Barrydowne Campus

Project Management has become a sought-after skill set across industries as businesses and organizations continue to look for efficiencies and overall effectiveness in order to successfully compete in domestic and global markets. Cambrian College's one-year (two semesters) graduate certificate program will provide you with the essential theoretical and practical knowledge, skills and techniques to successfully plan, implement, manage and evaluate projects. The curriculum is closely aligned to, but not affiliated with, the Project Management Institute's (PMI) Project Management Body of Knowledge (PMBOK). To learn more about becoming a certified project management professional, please visit the PMI's website (<http://www.pmi.org/>).
