

SMALL BUSINESS ENTREPRENEURSHIP (SBUS)

This microcredential is currently under development. Please visit this page again soon for the latest updates and availability information. Thank you for your interest.

Small Business Entrepreneurship (SME) program is designed to equip students with management skills, that build on the understanding of the common business principles and functional areas of business, with a special focus on small-sized businesses, and start-ups. The students will gain an understanding of the issues facing family businesses, start-ups, and other independent entrepreneurial endeavors. The students will learn how to identify business opportunities, develop a business plan, launch, operate, and grow a Canadian business.
